- 8.7 [Annex E](#) describes in more detail further Ineligible Expenditure items.

- 9.2 The Recipient shall ensure that the Grant falls within the scope of audit as part of the Recipient's annual internal and external audit programme.
- 9.3 The value and purpose of the Grant shall be identified separately in the Recipient's audited accounts (or the notes thereto). Should the Recipient's annual turnover fall below the threshold that is the minimum legal requirement for formal external audit then an Independent Assurance Statement must be signed off by either an external auditor or an independent qualified accountant.
- 9.4 On request, the Recipient will send the Authority a copy of its, and/or its Delivery Partners, latest audited accounts, or a cashflow statement and forecast. This should be either:
 - 9.4.1 a hard copy sent by traditional post, or
 - 9.4.2 an electronic copy sent by email (e.g., a hyperlink to a public facing website, or PDFs of the document(s)).
- 9.5 The Recipient shall, without charge, permit any officer or officers of the Authority, agents, external auditing bodies (e.g. European Court of Auditors or any Domestic Successor, National Audit Office or Public Sector Audit Appointments) or their nominees, access to its Staff, premises, facilities and records and shall, if so required, provide appropriate oral or written explanations from them, for the purpose of examining, discussing, monitoring and evaluating the Recipient's fulfilment of the conditions of this Grant Agreement and the economy, efficiency and effectiveness with which the Grant has been used.
- 9.6 Further to Clause 9.5, any officer or officers of the Authority, external auditing bodies (e.g., European Court of Auditors or any Domestic Successor, National Audit Office, or Public Sector Audit Appointments) or their nominees, may also examine and take copies of the Recipient's books of account and such other documents or records as in such officers' view may relate to the use of Grant.
- 9.7 The Authority shall endeavour, but is not obliged, to provide due notice of its intent to undertake the activities described in Clauses 9.5 and 9.6.

- 10.1 The Recipient must notify the Authority in a timely manner of any Change of Control or of any complaint or investigation by any Crown Body, regulatory body or the police into its activities or those of its Staff or Delivery Partners.
- 10.2 The Recipient shall ensure that all reasonable steps have been taken to ensure that it, its Staff and any Delivery Partner acting on its behalf complies with all applicable Laws and shall possess all the necessary qualifications, licences, permits, skills and experience to discharge their responsibilities effectively, safely and in conformance with any applicable Law for the time being in force (so far as binding on the Recipient and/or the Delivery Partner).
- 10.3 Where the Grant will be disbursed outside the United Kingdom the Recipient shall use its best endeavours to ensure that such funding:
 - 10.3.1 does not contravene the Laws of any other country; and
 - 10.3.2 is not used to support activities which could bring the Authority's name into disrepute.
- 10.4 The Recipient shall ensure that it, and any Delivery Partner, has relevant organisational policies in place to deliver the Purpose. These should cover, but not be limited to: whistleblowing; safeguarding; diversity and equality; environmental; data protection; and information security, which shall remain current for the duration of the Grant Agreement and be reviewed regularly by appropriately senior Staff and confirmed by the board or Trustee(s). All Staff must be aware of these policies and of how to raise any concerns.
- 10.5 On request from the Authority, the Recipient will provide the Authority with all such relevant documents and information relating to the Recipient's organisational policies and procedures as the Authority may reasonably require.
- 10.6 The Recipient shall take all reasonable steps to ensure that it and anyone acting on its behalf do not bring the Authority or the Purpose into disrepute for instance by reason of prejudicing the Purpose and/or being contrary to the interests of the Authority.
- 10.7 In particular, the Authority has a zero-tolerance approach towards sexual exploitation, abuse and all forms of bullying, harassment, and discrimination, especially for those who have a protected characteristic under the Equality Act 2010 (sexual orientation, race, religion, age, disability, sex, gender reassignment, marriage/civil partnerships, and maternity / pregnancy) as well as gender identity. The Recipient will immediately contact the Grant Sponsor to report any credible suspicions, or actual incidents, of sexual exploitation, abuse, bullying, harassment, or discrimination related to this Grant Agreement or which would be of significant impact to the Authority or other Crown Body. For example, any event that affects the governance or culture of the

Recipient, such as those related to senior management, must be reported.

- 10.8 Any event notified to the Authority under Clauses 10.1, 10.6 and/or 10.7 may be investigated by the Authority or a duly nominated representative or agent. The Recipient will fully co-operate with any investigation.
- 10.9 The Recipient shall take account of the Code of Conduct for Recipients of Government General Grants (the 'Code of Conduct')⁴ when delivering the Purpose. It will ensure that Staff and, to the extent to which it is practical, its Delivery Partners are made aware and undertake their duties when delivering the Purpose in a manner consistent with the principles outlined in the Code of Conduct.
- 10.10 Before entering into any agreement with a Third Party offering Supplementary Funding towards delivery of the Purpose, the Recipient must:
 - 10.10.1 ensure that robust due diligence processes (similar to that set out in Clause 12.2), regarding both the prospective donor and the source of the monies, have been undertaken, and
 - 10.10.2 inform the Authority of these details including, but not necessarily limited to, the source, value, scope, nature, and any conditions of the Supplementary Funding.
- 10.11 Following receipt of information in accordance with Clause 10.10, the Authority shall, at its sole discretion, confirm In Writing whether the use of the Supplementary Funding for the Purpose is acceptable to it. In instances where the Authority does not agree that the Supplementary Funding can be used, for example by reason of prejudicing or conflicting with the Purpose and/or being contrary to the interests of the Authority, the Recipient must confirm In Writing (i) what it intends to do with the Supplementary Funding, and (ii) that it will not use the Supplementary Funding to deliver the Purpose.
- 10.12 The Recipient agrees and accepts that it may become ineligible for grant support and be required to repay all or part of the Grant – not limited to any Unspent Monies – if it engages in tax evasion or aggressive tax avoidance in the opinion of HMRC.

- 11.4 If the Recipient has any grounds for suspecting financial irregularity in the use of any Grant paid under this Grant Agreement, it must notify the Grant Sponsor immediately, explain what steps are being taken to investigate the suspicion, and keep the Grant Sponsor informed about the progress of the investigation.
- 11.5 In the event that a notification is received in accordance with clause 11.4, the Grant Sponsor will ensure that the Authority's Counter-Fraud Team (<mailto:CounterFraudFinance@homeoffice.gov.uk>) are made aware as soon as practical.
- 11.6 For the purposes of Clause 11.4, "financial irregularity" includes (but is not limited to) potential fraud or other impropriety, mismanagement, offences under the Bribery Act, corruption, and the use of the Grant for purposes other than those stipulated by the Authority in this Grant Agreement.
- 11.7 The Recipient must pro-actively identify, itemise, and assess how it and the use of the Grant might be vulnerable to fraud⁵. Fraud should always be considered as a risk and reported on as required in [Schedule 3 \(Risk Management or Ad-hoc reporting\)](#).
- 11.8 The Recipient agrees that it will not apply for or obtain, and will assure that any Beneficiary, or Delivery Partner, is not in receipt of or does not apply for or themselves obtain, Duplicate Funding. - 12.1 In procuring any works, goods or services or otherwise disbursing the Grant, the Recipient shall follow its own procurement guidelines to secure Value for Money and shall apply the principles of non-discrimination and equal treatment, transparency, mutual recognition, and proportionality. For example, some degree of advertising appropriate to the scale of the proposed expenditure is likely to be necessary to demonstrate transparency. This is in line with the UK objective of achieving Value for Money for the taxpayer.
- 12.2 Prior to the award of onward funding or a contract or other legal form of agreement to a Delivery Partner, the Recipient shall ensure that it carries out a thorough and proportionate documented due diligence process to understand an organisation's financial status, viability and capability; technical skills and capacity; operational and commercial processes and procedures; background and history (fraud risk, money laundering, terrorism, modern slavery etc); and ensure the payment does not represent Duplicate Funding or Grant Fraud.

- 12.7 If the Authority becomes aware that the Recipient has failed to pay a Delivery Partner's undisputed invoice or Beneficiary's claim request within thirty (30) Calendar Days of receipt, the Authority shall be entitled to publish the details of the late or non-payment (including on government websites and in the press).
- 12.8 Prior to Commencement, the Recipient shall provide the Authority with a list of all identified Delivery Partners and must thereafter provide written notification in advance of any planned changes to this list whether additions, removals, or replacements of Delivery Partners.
- 12.9 In accordance with Clause 12.1, where the Recipient follows a sole source, single tender, or other uncompleted-award procedure above its own policy threshold it must provide and document a full justification that can be robustly defended and maintain the relevant documentation on file. Such justification may apply in exceptional circumstances for example where:

- 12.9.3 there are simply no alternative sources of supply.
- 12.10 The Recipient shall ensure that in delivering the Purpose it does not put the Authority in breach of the United Kingdom's Subsidy Control obligations⁸. The Recipient will maintain appropriate records of its compliance with the subsidy control requirements and will take all reasonable steps to assist the Authority to comply with the same and respond to any proceedings or investigation(s) into the Purpose by any relevant court or tribunal of relevant jurisdiction or regulatory body.

In such event, either Party will give immediate notice In Writing to the other Party of the existence of such cause or event and of the likelihood of delay.

SCHEDULE 1 – THE PURPOSE

The Scheme

1.0 This Schedule 1 describes the outcomes and impacts the Authority is seeking to achieve through this Grant funding. The Authority is providing the Grant to purchase technology and assets to better enable the Recipient to secure the Westcoast of Belgium. The provision of security projects is to increase the Politiezone WestKust's capabilities to detect and deter migrants attempting to launch small boats. The outcomes of the funding are:

- Deters the entry of individuals that would harm the national interest.
- Supports measures already funded or planned by the UK to make the Belgium coastline and ports more secure.
- Will deliver greater collaboration between the Belgium and the UK in tackling irregular migration and related organised immigration crime.
- Maintain border integrity and reduce the number of people attempting to cross illegally and at risk to safety and life.

The funding does not include any maintenance or inspection costs.

Background

- 1.1 The first duty of the government is to keep citizens safe and the country secure. The Home Office has been at the front line of this endeavour since 1782. As such, the Home Office plays a fundamental role in the security and economic prosperity of the United Kingdom.
- 1.2 The Home Office is the lead government department for immigration and passports, drugs policy, crime, fire, counterterrorism and police.
- 1.3 The Authority is responsible for controlling migration for the economic benefit of the country and protecting its borders. It gives permission to those who wish to come to the UK to work or study. It also supports those with genuine protection needs who have come to the UK as asylum seekers, with humanitarian protection needs and those who settle as refugees.
- 1.4 The project will be taken forward as below and see the provision of security enhancements (detailed at 1.13) for the purpose of disruption and deterrence of small-boat channel crossings to prevent illegal migration to the UK.
- 1.5 This Grant is paid to the Recipient in exercise of the power conferred upon the Secretary of State for the Home Department under section 59 of The Nationality & Asylum Act 2002 to provide financial support to reduce migration and facilitate co-operation between states in matters relating to migration.

- 1.6 The Purpose provides a broad well defined framework describing the outcomes and impacts that the Funding is intended to achieve whilst allowing the Recipient to exercise independent discretion in delivering the inputs and outputs detailed in its Delivery Proposal ([Annex D](#)).

Key Deliverables

- 1.7 The project as detailed in section 1.0 to 1.6 of Schedule 1 will provide the following benefits:
- Will support wider work with Belgian partners to deter migrants from attempting to reach the UK and reduce financial and resource implication on the Belgium state.
 - Will support wider UK and Belgium work to deter and prevent irregular migrants from taking high risk journeys which can put their lives at risk, to gain illegal entry to the UK.
 - Form part of a holistic security plan including previously UK funded works to enhance physical security and support Belgian partners.

Key Roles and Responsibilities

- 1.8 The Authority will nominate a Grant Sponsor who will work with the Scheme Manager to monitor the delivery of the agreed Purpose and act as the principal point of contact. Their name and contact details are recorded in [Annex C](#).
- 1.9 The Recipient will nominate a Scheme Manager who shall have responsibility for ensuring delivery of the Purpose to achieve the outcomes and impacts. They shall act as the Authority's principal point of contact, and their details shall be recorded in [Annex C](#).
